Lennon/McCartney
I Saw Her Standing There

E7
Well she was just seventeen
    A7   E7
You know what I mean
        E7
And the way she looked
              B7
Was way beyond compare
   E7   E7/G#   A7
So how could I dance with another,
C7   E7   B7   E7
Oh, when I saw her standing there

E7
Well she looked at me
    A7   E7
and I, I could see
      E7
That before too long
           B7
I'd fall in love with her
E7   E7/G#   A7
She wouldn't dance with another
C7   E7   B7   E7
Oh, when I saw her standing there

     A7
Well my heart went boom
When I crossed that room
                B7
And I held her hand in mine

E7
Oh we danced through the night
      A7
And we held each other tight
    E7
And before too long
           B7
I fell in love with her

```
    E7            E7/G#        A7
Now I'll never dance with another
C7          E7        B7          E7
Oh, when I saw her standing there
(solo over 1 chorus)

A7
Well my heart went boom
When I crossed that room
                        B7      A7
And I held her hand in mine

        E7
Oh we danced through the night
        A7
And we held each other tight
      E7
And before too long
                B7
I fell in love with her
      E7          E7/G#        A7
Now I'll never dance with another
C7          E7          B7          E7
Oh, when I saw her standing there
    E7                B7            E7
Oh, since I saw her standing there
        E7                  B7          A7      E7
Yeah, well since I saw her standing there
