Do you believe in magic...in a young girl's heart

C F

How the music can free her, when-ever it starts

C F

And it's magic, if the music is groovy

C F

It makes you feel happy like an old-time movie

Dm7 Em7 F Em7

I'll tell you 'bout the magic, and it'll free your soul

G (G)

But it's like trying to tell a stranger 'bout rock and roll ////

C F

If you believe in magic...don't bother to choose

C F

If it's jug band music or rhythm and blues

C F

Just go and listen...it'll start with a smile

C F

That won't wipe off your face no matter how hard you try

Dm7 Em7 F Em7

Your feet start tappin' and you can't seem to find

G

How you got there - so just blow your mind
