**G** **Am**  
They say ev'rything can be re-placed

**Bm7** **D** **G**  
Yet ev'ry distance is not near

**G** **Am**  
So I remember ev'ry face

**Bm7** **D** **G**  
Of ev'ry man who put me here

**G** **Am**  
I see my light come shining

**Bm7** **D** **G**  
From the West unto the East

**G** **Am**  
Any day now, any day now

**Bm7** **D** **G**  
I shall be re-leased

**G** **Am**  
They say ev'ry man needs pro-tection

**Bm7** **D** **G**  
They say ev'ry man must fall

**G** **Am**  
Yet I swear I see my re-flection

**Bm7** **D** **G**  
Someplace so high above this wall

**G** **Am**  
I see my light come shining

**Bm7** **D** **G**  
From the West unto the East

**G** **Am**  
Any day now, any day now

**Bm7** **D** **G**  
I shall be re-leased

**G** **Am**  
Standing next to me in this lonely crowd

**Bm7** **D** **G**  
Is a man who swears he's not to blame

**G** **Am**  
All day long I hear him shout so loud

**Bm7** **D** **G**  
Crying out that he was framed

**G** **Am**  
I see my light come shining

**Bm7** **D** **G**  
From the West unto the East

**G** **Am**  
Any day now, any day now

**Bm7** **D** **G**  
I shall be re-leased
