

# WILD HORSES - GRETCHEN PETERS VERSION

COUNTRY/ROCK BALLAD

KEY: Bb

CAPO AT THE 3RD FRET

INTRO:

(GTR LICK) **G**  
/ / / / / / / / / /

**Bm**                    **G**   **Bm**                    **G**  
Childhood living        is easy to do

**Am**                    **C**        **G**                                    **D**  
The things you wanted.....I bought them for you

**Bm**                    **G**   **Bm**                    **G**  
Graceless lady        you know who I am

**Am**                    **C**        **G**                                    **D**  
You know I can't let you        slide through my hands

**Am**        **C**        **G**                    **F**        **C**  
Wild horses        couldn't drag me a-way

**Am**        **C**        **G**                    **F**        **C**  
Wild horses        couldn't drag me a-way

**Bm**                    **G**    **Bm**                    **G**  
I know you suffer            a dull aching pain

**Am**                    **C**    **G**                    **D**  
Now you've de-cided            to show me the same

**Bm**                    **G**    **Bm**                    **G**  
No sweeping exits            or offstage lines

**Am**                    **C**    **G**                    **D**  
Could make me feel bitter            or treat you un-kind

**Am**    **C**    **G**            **F**    **C**  
Wild horses            couldn't drag me a-way

**Am**    **C**    **G**            **F**    **C**  
Wild horses            couldn't drag me a-way

**SOLO:**

**F**            **C**            **F**            **C**    **D**    **G**  
/ / / /    / / / /    / / / /    / / / /    / / / /    / / / /

**Bm**            **G**            **Bm**            **G**  
I know I dreamed you      a sin and a lie

**Am**            **C**            **G**            **F**  
I've got my freedom, but I      don't have much time

**Bm**            **G**            **Bm**            **G**  
Faith has been broken,      tears must be cried

**Am**            **C**    **G**            **D**  
Let's do some living      after we die

**Am**    **C**    **G**            **F**    **C**  
Wild horses      couldn't drag me a-way

**Am**            **C**    **G**            **F**    **C**  
Wild, wild horses      couldn't drag me a-way

**Am**    **C**    **G**            **F**    **C**  
Wild horses      couldn't drag me a-way

**Am**            **C**    **G**            **F**            **C**            **(HOLD)**  
Wild, wild horses      we'll ride them some day  
**(RITARD)**
